Jeffrey, Thanks, we had the same thought once James created the links on the PA page. The news release is being revised. Larry

Subject: Please edit the Dimock news release to use the PA state page URL

Hi guys.

FYI, James has already changed the PA state page.

Please change the URL on the news release to use that one instead of the epaossc.org URL.

I know it'll be different from what went out, but at least it'll be right on our site going forward.

Thanks!
